

To whom it may concern,

I am a totally disabled Vietnam combat veteran. NEVER in my life have I been in trouble. Why are you wanting to put my families life in danger with your lockup law? With all of the illegals in my county my wife and I will have no way of protecting ourselves,or my disabled daughter. By the time I could get to the lockbox,we will all be dead thanks to what you are trying to do. And what do you think gives you the right to infringe on my 2nd amendment rights? Have you considered the legal ramifications of this? Have you considered the lawsuits that will evolve from this unconstitutional law you are trying to bring to our state?Also I have been told by a constitutional lawyer that should ANYONE be harmed by your illegal laws,you folks can be sued for damages,as well as the state.You cannot take away our guns,we are protected by our constitution,which by the way,all of you swore and oath to uphold,yet you clearly do not. Shame on you.If it's a battle in court your looking for,there are entities that will take it to the US Supreme court,and by GOD we will win,and you know that too.So,let's see,you'll lose in the 9th circuit court now,thanks to President TRUMP replacing some of the loser socialist judges. Speaking of socialists,there again you are violating your sworn oath. I guess if your a socialist politician in this state,lying through your teeth is expected behavior.What goes around,comes around.Remember that.Because sooner or later,we will get rid of your ilk,and get back to being a great state.Non of you are above the law,remember that when it's your turn to cry.
