Subject: Oppose Costly Cap-and-Trade in SB 1530
Date: Thursday, February 6, 2020 9:50:06 PM

Dear Chair Dembrow,

As a farmer and business owner I am firmly against Hb 1530. In a previous email I outlined why. I understand there is now a -27 that makes it even worse. This would divide east side and west side farmers. West side farmers face the same issues as east side farmers and this would unfairly raise their costs. Please stop the insanity and don't move forward with hb 1530 or any amendments. Thank you.

Sincerely,

Fritz Ellett
