

The North Clackamas County Chamber of Commerce is asking you to vote yes on HB4087 BOLI Technical Assistance for Employers.

Which removes the authorization to propose legislation that would increase civil penalties for Oregon employers. We support this effort to increase the availability of technical assistance through BOLI.

Thank you,

Laura Edmonds, CEO  
North Clackamas Chamber of Commerce  
(503) 654-7777
