Subject: Oppose Costly Cap-and-Trade in SB 1530
Date: Saturday, February 8, 2020 8:40:05 AM

Dear Chair Dembrow,

Please vote no on sb1530. I own a 5th generation ranch in coos county and work off farm as a ready mix concrete truck driver. This bill will hit every part of my life, remember, I only get to take home about half of my wage due to taxes now, this bill will take the other half.

Really kills the incentive to work.

Thank you

Sincerely,

Dan Pierce
