**Date:** Saturday, February 8, 2020 8:44:32 AM

---

My name is Matt Frketich. I am opposed to SB 1530. This will hurt all Oregonians with no help to the environment.

I support many of the solutions brought to you by the Timber Unity Group last week and I hope you will consider them seriously.

This legislation is not ready and it needs to be fixed and then sent to the voters.

Thank you,  
Matt Frketich
