RE: SB 1530

My name is Rose Kaler and I'm a native Oregonian. My grandfathers family settled in the Holly/Crawfordsville area over 125 years ago. Three generations of loggers / ranchers and my parents owned a Saw repair shop in Lebanon. My father, uncles and grandfather were all in the military to provide us the freedoms we have today.

I'm deeply concerned about the Cap and trade Bill being put forth in the coming short session. SB 1530 looks to have a very negative impact on all or Oregon and especially rural Oregonians.

I believe that there is a better solution that would help all Oregonians. There are plenty of brilliant minds in our state, it's time to think outside of the box and not force issues on struggling working Oregonians.

Our state needs to get out of debt not make more agencies to add to our debt load. Less government and more bipartisan work parties is needed.

I feel this is a bad decision for Oregon. We need to have our voices heard and make sure someone is REALLY LISTENING.
