#### **BACKGROUND:**

The Oregon Business Development Department, commonly known as Business Oregon, is the state's economic development agency. Its mission is to invest in Oregon businesses, communities, and people to promote a globally competitive, diverse, and inclusive economy. Business Oregon supports the retention and expansion of existing Oregon businesses within traded sectors, carries out strategies to create a dynamic startup and entrepreneurial environment, and recruits companies from outside the state to fill supply chain gaps and grow existing industry clusters. The Industry Competitiveness Fund is funded by Lottery Funds and supports strategies to increase the local, national, and global competitiveness of Oregon businesses and high-value industries. Its current target industries include advanced materials, apparel and outdoor gear, business services, food and beverage, forestry and wood products, and high technology.

According to Business Oregon, the apparel and footwear sector accounted for 17,739 jobs with an average wage of \$143,949 in 2016, while employment in the outdoor gear sector was 5,542 with an average wage of \$57,823 in 2016. The total export value from both sectors in 2016 was \$538.8 million.

House Bill 4157 was House Bill 3251 in the 2019 session and was unanimously passed out of the House Committee on Economic Development. It was referred to Ways and Means where it remained at the close of session. HB 4157 authorizes Business Oregon to provide matching grants to membership organizations and business accelerators to provide business and technical assistance to the outdoor gear and apparel industry.
