

E-cigarette Use in Oregon: Data and Context

February 11, 2020

Dean Sidelinger, MD MEd

Health Officer and State Epidemiologist

Oregon Health Authority – Public Health Division

Cigarette and e-cigarette use, among 11th-grade youth

Use of cigarettes in Oregon has decreased among 11th-graders. However, use of e-cigarettes increased by nearly 80% between 2017 and 2019.
