

From: [Mr. & Mrs. Liz and Tom Brooks](#)
To: [HHC Exhibits](#)
Subject: Oppose HB 4109
Date: Sunday, February 9, 2020 10:50:04 PM

Dear Chair Salinas,

HB 4109 is unnecessary. The Oregon Department of Agriculture (ODA) has already initiated rulemaking to reduce worker exposure to chlorpyrifos. HB 4109 is an attempt to circumvent the state regulatory process.

Sincerely,

Liz and Tom Brooks
