

Hello: I am writing to you today to ask that you PLEASE support legislation HB 4075 to put an end to the gruesome coyote killing contests in **Oregon**.

Coyote killing contests violate the ethics of fair chase hunting, are out of step with modern, science-based wildlife management, and do not reflect the humane values of Oregonians. Not only cruel and callous, they also send a message of disregard rather than of sportsmanship, good stewardship, and respect for the public's wildlife. We need your help to end this foul practice in Oregon once and for all! California, Vermont, New Mexico, Arizona and Massachusetts have already banned these devastating practices. Thank you for your consideration!

Sincerely,

Marilyn Coomber
