February 10, 2020

The Honorable Chick Riley, Chair  
Senate Committee on General Government and Emergency Preparedness  
Oregon State Legislature

Chair Riley and Committee:

The Oregon Sunshine Committee, at its meeting on Feb. 10, 2020, voted to support Senate Bill 1506, which would strengthen the role of the Oregon Public Records Advocate.

The Committee believes this measure will serve the public interest by increasing government transparency and improving access to public records.

Sincerely,
