Dear Oregon Legislature,

If you truly believe that this bill is what the majority of Oregonians want, put it to a vote. I know you are saying it is not a tax but that is not true and the Oregon constitution says that all taxes are to be voted on by the citizens. The fact is, this bill will be carried on the backs of the little guy with all of the carve outs for major corporations. It will crush us and destroy small towns all over rural Oregon. Please vote no On HB1530.

Thank you,
Marni M. Danielson
