Dear Chair Salinas and members of the Committee on Health Care,

I am writing to urge your strong support of HB 4109, phasing out chlorpyrifos in Oregon, and ask that you vote HB 4109 out of your committee.

**HB 4109 is good for the health of Oregonians, bees, wildlife, and the environment.** The bill is a reasonable step for Oregon to take in response to the long-standing warnings that there are no safe levels of exposure to this extremely neurotoxic chemical.

Thank you for considering my testimony in strong support of the measure.

Sincerely,  
Gillian Holbrook
