Subject: Cap and Trade
Date: Saturday, February 8, 2020 1:37:47 PM
Importance: High

I oppose cap and trade as a taxpaying citizen of this State. Being on a fixed income I understand how to budget. I also know that this bill will increase the cost of everything while destroying our small businesses and those that they provide employment for. Please address the problems this State faces now! Please share with your colleagues. Thank you.
