Subject: Cap and trade and gun control
Date: Saturday, February 8, 2020 4:55:08 PM

You guys make too many laws too fast to count. I would have to say no to every law that you guys are coming up within a short session just to be safe. But if that's not specific enough for you we aren't doing any more gun control or cap and trade bullshit. You represent us not rule us.
