Subject: NO ON SB 1533
Date: Wednesday, February 12, 2020 11:08:53 AM

The impact of this bill will increase rents and decrease rentals.
Owners will sale rentals or increase rents to cover legal costs and more taxes to fund this bill.

It just crazy that you think this will help the house shortage. Just as the rent control law and for cause eviction have increased rents and decrease rentals.

My Property Management business has lost 42 Units due to owners selling there rental due to these bills.
