**Subject:** Legal help for tenants...free  
**Date:** Wednesday, February 12, 2020 12:42:32 PM

---

I oppose this. I know there are bad landlords, but we have always been good ones..even invited to tenant's weddings, joined us for Thanksgiving,etc.

To provide free legal aide to everyone means that even if we behave fine and the tenant is upset because of anything, however crazy or unwarranted, they can sue us and we will be out legal fees. Totally unfair.

We are a small, family, business.
