Subject: No on SB 1530
Date: Monday, February 10, 2020 12:52:26 PM

Please vote no on SB 1530. This will greatly hurt and possibly end our multi-generation history of farming in Oregon. Farmers care about the environment as it is the bases for everything we grow; SB 1530 is not a solution.

Thank you,

Janelle Huserik
