Subject: No on SB1578
Date: Sunday, February 16, 2020 4:49:39 PM

Cap & Trade too costly, complicated and lengthy, and packed with amendments that won't let us see the light of day without good public hearings. Refunds are not the answer, just a tool to make it look like legislators are being nice to poor people of Oregon. Please vote no on SB 1578.
