**Subject:** Adding Capital Funding for PSU's Vernier Science Center to HB 5201  
**Date:** Thursday, February 13, 2020 10:23:07 AM

---

To: Honorable Fred Girod and Honorable Paul Holvey, Co-Chairs

Members, Joint Committee on Ways and Means, Subcommittee on Capital Construction

I am writing today to strongly support the use of public funds to renovate PSU's undergraduate science building.

PSU is Oregon's most diverse public university. I am glad to be an alumni of the university and it has allowed me to develop the skills I now have to flourish in my career in finance. I was also lucky enough to have interned through PSU's program with the White House in Washington DC my senior year so continuing to support this university will be a lifelong goal of mine. It has afforded me opportunities that I hope that future generations of students get to experience.

This is not just another capital request. This is about opportunity for all. Multidisciplinary, collaborative learning is revolutionizing health and science. The new PSU building will better prepare students for tomorrow's workforce. Keeping our workforce educated with highly relevant skills is critical to our competitive edge in Oregon.

**I thank you for your attention in this matter.**
