Dear Chair Holvey and House Committee on Rules,

Please lets stop this madness, HB4167 is going to absolutely punch us Oregonians in the gut, and we won't be able to recover from it. The hardworking citizens deserve better than this tax mountain you are proposing on us, if you move forward with any type of cap and trade without letting us do our due diligence as educated voters. LET THE PEOPLE VOTE!

Thank you for your time,

Larry Semerikov
