Dear Chair Holvey and House
Committee on Rules,

HB4167 would heavily impact the
Oregon economy for the worst. Why
would we want to instigate another
recession? Those years were awful
and increased poverty and
homelessness all around the state.

Please vote NO on HB4167 or do the
right thing and refer it to voters, as
we will be the MOST impacted by
this.

Thank you for your time and your
commitment to our government,

Efrosinia Martishev
Salem, Oregon
