Good morning,

I am urging you to all vote no on Hb 4167.

Cap and Trade is going to drive up utility prices and gas prices and this is NO good for Oregon, especially those who are on a fixed income. Timber Unity has a 4-point plan to address carbon issues WITHOUT a tax... please take a look at that and leave our checkbooks alone. County Commissioners from all over Oregon are saying NO to Cap and Trade. Legislatures should too ! Please vote NO and kill all Cap and Trade proposals. Thank you for your time.

Respectfully,

Connie Adams
