Re: Testimony on HB 4167

I SUPPORT any Amendment which removes the Emergency Clause from A SB HB 4167

I SUPPORT any amendment which refers to HB 4167 to the people of Oregon for approval or rejection.

Some of the Legislators in Salem admit they have not read the Bill but are supporting it. That is atrocious!

Cap and Trade will cost every Oregonian, particularly those on fixed incomes, the middle class and the poor. We deserve to vote on a bill that affects us all!

Overall I oppose HB 4167 as it is nothing but underhanded tactics of Bait and Switch from the equally atrocious!

LET US VOTE!!

Sincerely, Kim W Rollins
