We are writing to voice our opposition on every additional TAX measure that would add or raise taxes on Oregonions that is being considered in the Oregon house/senate.

We are already Taxed to Death, Our state needs to learn to LIVE WITHIN THEIR MEANS!

Stop Taxing the worker to support the NON WORKER and THE ILLEGAL ALIEN.

People are not "ENTITLED" to anything except the freedom to try to better themselves, it is NOT up to the Taxpayers to do it for them.
