

**REVENUE IMPACT OF
PROPOSED LEGISLATION**
80th Oregon Legislative Assembly
2020 Regular Session
Legislative Revenue Office

Bill Number: HB 4009 - 16

Date: 2/19/2020

*Only Impacts on Original or Engrossed
Versions are Considered Official*

This office has reviewed the proposed legislation and determined that it has

Minimal Revenue Impact

The changes in this bill are either technical clarifications that have no revenue impact or policy clarifications that align with the intent of the original legislation enacted in 2019. One potential difference is the extension of the 80 percent threshold for an additional year. This change does not affect the ultimate tax liability but may have an impact on the timing of some payments. Taken together, the revenue impact is projected to be minimal.
