

SUBCOMMITTEE RECOMMENDATION

**Department of Justice
Key Performance Measures Report**

On February 13th, the Public Safety Subcommittee recommended acknowledging receipt of a report from the Department of Justice on Key Performance Measures.

This report is part of a routine review of an agency's KPMs. DOJ is making good progress to reduce the number of unneeded KPMs, revise existing KPMs, and propose new KPMs.

DOJ plans to continue to refine its KPM changes over the course of the interim and return to the Legislature in 2021 with a comprehensive proposal for consideration.

The Public Safety Subcommittee recommends approval.
