

Dear Senator Laurie Monnes Anderson
Chairperson, Senate Health Care Committee

AND

Members of the Senate Health Care Committee
Senator Dennis Linthicum
Senator Lee Beyer
Senator Shemia Fagan
Senator Tim Knopp

I strongly support HJR-202 that guarantees a constitutional right for every resident of Oregon. This is good health care policy, good financial policy, good economic policy, and good ethical policy.

David A. Nardone, MD (retired)
Hillsboro, OR 97124
House District #30 - Representative Sollman
Senate District #15 - Senator Riley
