Dear Chair Holvey, Vice Chair Drazan, Vice Chair Warner, and House committee on Rules,

Please vote NO on HB4005 - the lock up gun bill. This bill overturns my 2nd amendment right: "A well regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms, shall not be infringed." This bill most definitely infringes on my right. How does one suppose I protect my family if my gun is locked up? Those extra seconds could mean the difference between life and death for myself and my loved ones. Please protect my rights and insure me that I can protect my family.

Thank you kindly for your time and consideration,
