---

Dear Chair Holvey, Vice Chair Drazan, Vice Chair Warner, and House committee on Rules,

I, Natasha E. Ovchinnikov, am contacting you today to ask that you please vote NO on HB4005- the lock up gun bill.

This bill overturns my 2nd amendment- “A well regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms, shall not be infringed.” This bill most definitely infringes on my right. As a gun owner, I already practice gun safety by having all my guns locked up with the exception of one that is well hidden and cannot be accessed by any minors. I have that gun in case of an emergency and I have an intruder enter my home. How am I supposed to protect my family if I cannot have quick access to my gun?

Please protect my rights and insure me that I can protect my family.

Thank you for your time and consideration,

Natasha E. Ovchinnikov, Woodburn
