Co-chair Representative David Goomberg

My name is Judy Wilder. I live in Portland, Oregon, am retired from 20 years in the juvenile justice system, and am a grandmother.

Thank-you for all your continued work, on behalf of the Oregon climate emergency.

From a lifetime of working with children and youth, I have seen the detrimental effects of pollution on the bodies, minds and souls of people, especially in marginalized communities. I urge you to craft and pass a strong and just climate bill, that will address the cost of pollution to our economy, and the erosion of Oregonians' health.

I know this is not easy, and at this critical time, it is necessary if we are to have a viable economy & health for Oregon citizens.

Thank-you.

Judy Wilder, LPC
