Mission statement

(as approved by HECC, August 8, 2019)

Oregon Institute of Technology (“Oregon Tech”), Oregon’s public **polytechnic university**, offers innovative, **professionally-focused undergraduate and graduate degree programs** in the areas of engineering, health, business, technology, and applied arts and sciences. To foster student and graduate success, the university provides a hands-on, **project-based learning environment** and emphasizes innovation, scholarship, and applied research. With a **commitment to diversity and leadership development**, Oregon Tech offers **statewide educational opportunities and technical expertise to meet current and emerging needs of Oregonians**, as well as other national and international constituents.

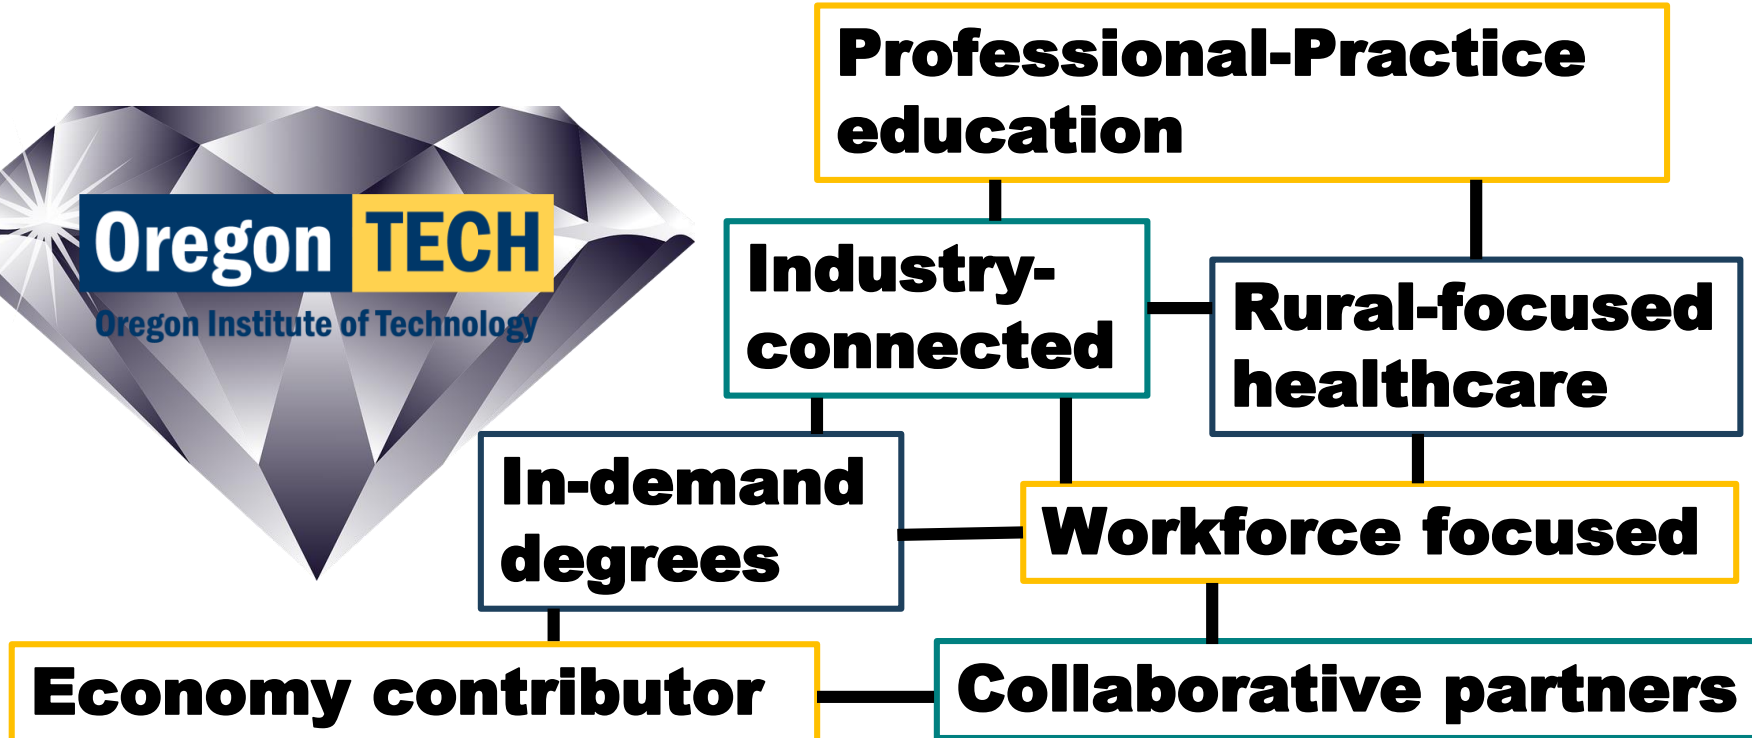

We are a polytechnic university!

Polytechnics are focused on professional practice

Describes Oregon Tech's teaching and learning approach

Our DNA is to serve workforce and economic needs

Oregon's Hidden Gem no more!
