Dear Chair Holvey, Vice Chair Drazan, Vice Chair Warner, and House committee on Rules,

Contacting you today to ask that you please vote NO on HB4005- the lock up gun bill. This bill overturns my 2nd amendment- “A well regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms, shall not be infringed.” This bill most definitely infringes on my right. How does one suppose I protect my family if my gun is locked up? Please protect my rights and insure me that I can protect my family.

Thank you for your time and consideration,

I need quick legal access to self defense weapons in my home. Several months ago a neighbor needed to defend his wife and himself from a person with a weapon about to force his way into their home. The neighbor was successful and he and his wife lived through the attack. Unfortunately, the neighbor had to kill the intruder to keep his wife safe from the attacker.

I do not want to be a criminal if inside my locked home I have an unlocked weapon.

Vote NO on HB4005A.
