

SUBCOMMITTEE RECOMMENDATION

HB 4101

Relating to medical assistance reimbursement of telemedicine

HB 4101 requires the Oregon Health Authority to provide Medicaid reimbursement for health care services delivered using telemedicine and to adopt rules to ensure coordinated care organizations provide such reimbursement by July 1st, 2021. The agency will carry out these requirements within its existing budget.

The Capital Construction Subcommittee recommends HB 4101 be reported out do pass.
