Subject: HB 4167 – Relating to greenhouse gas emissions
Work Session Recommendations

HB 4167 establishes the Oregon Greenhouse Gas Reduction Board and the Office of Greenhouse Gas Regulation within the Department of Environmental Quality and directs the Board and the Office to implement the Oregon Greenhouse Gas Initiative program by rule. This measure in its current form is a replica of SB 1530 with the adoption of the -A41 amendment, which was approved by the Natural Resources Subcommittee on February 17th. The fiscal impact of HB 4167 is identical to SB 1530 and LFO recommends adoption of the -24 amendment to HB 4167 which will provide the General Fund appropriations and Other Funds expenditure limitation to the affected agencies.

MOTION: I move adoption of the -24 amendment to HB 4167. (VOTE)
