

Dear Oregon Legislators:

Expanding I-5 through the Rose Quarter in the heart of Portland is a terrible idea and an enormous waste of taxpayer dollars. Why on earth are you thinking of doing this when there are so many other pressing needs for that money, and we haven't even completed the tolling study and determined whether tolling can address congestion better than adding a lane ever will. Please take a stand for our future and don't expand the freeway.

Scott
