To: Capital Construction Subcommittee
From: Michelle Deister, Legislative Fiscal Office
Date: February 27, 2020
Subject: HB 4001 – Relating to housing.

HB 4001 appropriates a total of \$45 million to further additional shelter capacity throughout Oregon. Of this amount, \$28.5 million is appropriated to the Housing and Community Services Department for grants and technical assistance for the development and operation of shelters, and \$16.5 million is appropriated to the Department of Administrative Services to provide grants for navigation centers (which also provide assistance with health services, permanent housing, and other supportive services) in the cities of Bend, Eugene, McMinnville, Medford and Salem.

Recommended Changes

The -B9 appropriates General Fund to the Housing and Community Services Department and the Department of Administrative Services per the provisions of the bill. The amendment also allows for Other Funds expenditure limitation to the Housing and Community Services Department, so that funding commitments made in this biennium can be honored for any construction or operations costs that occur in 2021-23.

LFO recommends adoption of the -B9 amendment.

MOTION: I move adoption of the -B9 amendment to HB 4001. (VOTE)

The -B8 amendment makes a clarification to section 3, replacing the term “lot or parcel” with the term “property”.

MOTION: I move adoption of -B8 amendment to HB 4001. (VOTE)
