

SUBCOMMITTEE RECOMMENDATION

HB 4098

Relating to computer science education

HB 4098 directs the Department of Education to develop a statewide, long-term strategic plan for providing computer science education opportunities and to collect program participation data and report annually to the Legislature and creates a 27-member workgroup.

The measure provides \$271,454 Other Funds from the Statewide Education Initiatives Account of the Fund for Student Success. In addition, the bill provides 3 positions (0.95 FTE) to create, convene, and collaborate with the workgroup.

The Education Subcommittee recommends HB 4098 be amended by the –A2 amendment and be reported out do pass, as amended.
