

My name is Marsha Rakestraw, a working Oregon resident who has lived in unincorporated Washington County for nearly 20 years.

Thank you to Oregon legislators for your important work to protect Oregon wildlife.

I'm writing to urge the Oregon Senate Rules Committee to support HB 4075A.

Oregon's wildlife are to be managed for the benefit of all Oregonians, and this bill is good for people and for wildlife. The egregious and cruel killing of coyotes for prizes is antithetical to the best available science and to Oregon's values.

Please support this important legislation.

Sincerely,

Marsha Rakestraw
