

SUBCOMMITTEE RECOMMENDATION

HB 5201
Capital Construction

HB 5201 is the budget bill for capital construction projects. The bill establishes authority for the acquisition of land and the planning, design, repair, and construction of projects with costs over \$1 million. Projects are funded with proceeds of bonds authorized in HB 5202, as well as other revenue and federal grants received by agencies.

The Capital Construction Subcommittee recommends additional Other Funds capital construction expenditure limitation of \$380.3 million for the 2019-21 biennium. Capital construction expenditure limitations for the 2015-17 and 2017-19 biennia are also increased in the bill. The budget report provides a detailed list of capital construction project descriptions and recommended amounts.

The Capital Construction Subcommittee recommends HB 5201 be amended by the –1 amendment and be reported out do pass, as amended.
