**To:** Senate Committee on Rules; [and many others].

**Re: OPPOSITION to: [SJR 201]!**

[SJR 201] if passed, will be used to immediately hoist [SB 1530 B]: "Cap and Trade" upon all Oregonians; thereby denying the "Voter's" debate and authorization. And, in the process, throwing tens-of-thousands of Oregonians out of gainful employment without making a dent in climate change.

Additionally, [SJR 201] can and will be vigorously misused at the whim of the majority party.

[SJR 201] is another issue for the "Voters" to authorize.

**VOTE "NO" ON: [SJR 201]!**

*Respectfully submitted,*
