**FROM THE DESK OF
REP. MITCH GREENLICK**

FEB 17 2020

Floor Letter in Support of HJR 202

We believe that all Oregonians benefit when *everyone* has access to health care -- nobody should have to make the impossible choice between paying their rent and getting a prescription they need. HJR 202 is a reflection of a shared commitment to accessible and affordable health care for all Oregonians.
