

Open Government Impact Statement

80th Oregon Legislative Assembly
2020 Regular Session

Measure: HB 4115

Only impacts on Original or Engrossed
Versions are Considered Official

Prepared by: Cameron D. Miles
Date: 1/31/2020

SUMMARY

Requires health care providers, including coordinated care organizations, and companies providing health care interpreters to health care providers to use health care interpreters who are qualified or certified by Oregon Health Authority. Specifies exceptions. Requires authority to cooperate with Oregon Council on Health Care Interpreters to establish registry of qualified and certified health care interpreters.

Requires authority, by September 15, 2020, to make recommendations to interim committee of House of Representatives related to health on design of health care interpreter program meeting specified criteria.

Requires companies providing health care interpreters to register with authority and meet certain requirements.

Makes health care interpreters subject workers for purposes of workers' compensation benefits.

Declares emergency, effective on passage.
