

Open Government Impact Statement

80th Oregon Legislative Assembly
2020 Regular Session

Measure: SB 1556 - A

Only impacts on Original or Engrossed
Versions are Considered Official

Prepared by: Cameron D. Miles
Date: 2/13/2020

SUMMARY

Authorizes Oregon Liquor Control Commission to create data and analysis regarding commercial sales and commercial industries. Authorizes commission to contract for services related to creating, marketing, selling or licensing use of data and analysis.

Establishes Oregon Liquor Control Commission Information Technology Infrastructure Fund. Appropriates fund moneys to commission for paying costs related to data and analysis program and for procuring, operating, maintaining, staffing and servicing information system hardware, software and supplies related to operational or revenue generating functions of commission. Appropriates commission net share of revenue from data and analysis program to fund.

Authorizes commission to negotiate certain distilled liquor prices with Indian tribes and commercial airlines.

Takes effect on 91st day following adjournment sine die.

OPEN GOVERNMENT IMPACT

Legislative Counsel has not adopted standards for drafting measures that establish exemptions from disclosure of public records.

This measure allows the Oregon Liquor Control Commission to adopt rules controlling the use of and establishing the price or fees charged for purchasing or accessing commission data and analysis regarding commercial sales and commercial industries.

If those public records that could be subject to public disclosure were instead subject to mandatory disclosure under public records law, the public could gain access to additional commission data and analysis.
