

Open Government Impact Statement

80th Oregon Legislative Assembly
2020 Regular Session

Measure: HB 4115 - A

Only impacts on Original or Engrossed
Versions are Considered Official

Prepared by: Cameron D. Miles
Date: 2/19/2020

SUMMARY

Requires companies providing health care interpreters to health care providers to use health care interpreters who are listed on health care interpreter registry as being qualified or certified by Oregon Health Authority. Requires authority to adopt by rule exceptions. Directs Commissioner of Bureau of Labor and Industries to establish by rule standards, policies and processes to monitor compliance with and enforce requirements.

Requires authority to establish registry of qualified and certified health care interpreters and provide statewide health care interpreter training.

Requires authority, by September 15, 2020, to report to interim committee of House of Representatives related to health on costs to implement establishment of health care interpreter registry and to provide health care interpreter training.

Makes health care interpreters subject workers for purposes of workers' compensation benefits.

Declares emergency, effective on passage.
