**Measure Description:**

Directs the Public Utility Commission to study potential cost increases to retail electricity consumers due to electric company programs to accelerate transportation electrification and report to interim legislative committees related to energy and the environment.

**Government Unit(s) Affected:**

Public Utility Commission (PUC)

**Analysis:**

The proposed legislation has been determined to have

**MINIMAL EXPENDITURE IMPACT**

on state or local government.

While this individual measure has a “Minimal” fiscal impact, an agency may incur a net fiscal impact greater than minimal depending on the cumulative impact of all measures enacted into law that affect the agency.
