A BILL FOR AN ACT

Relating to disparities in health outcomes for communities impacted by discrimination; and declaring an emergency.

Be It Enacted by the People of the State of Oregon:

SECTION 1. (1) As used in this section:

(a) “Communities of color” means members of the following racial or ethnic communities:

(A) American Indians;
(B) Alaskan Natives;
(C) Individuals of Hispanic or Latino descent;
(D) Individuals of Asian descent;
(E) Native Hawaiians or Pacific Islanders;
(F) African Americans;
(G) Individuals of Middle Eastern descent; or
(H) Other members of racial or ethnic minorities.

(b) “Community-led” means an approach based on a set of core principles that, at a minimum, engages the people living in a geographic community to establish goals and priorities, using local residents as leaders, building on strengths rather than focusing on problems and involving cross-sector collaboration that is intentional and adaptable and works to achieve systemic change.

(c) “Cross-sector” means involving individuals, public and private institutions and communities working together.

(d) “Culturally specific” means led by individuals from the community served, using language, structures and settings familiar to the members of the community.

(e) “Regional Health Equity Coalition” means an autonomous, community-led, cross-sector group that:

(A) Is focused on addressing, at the policy, system and environment levels, health inequities experienced by target communities, with the leading priority being communities of
color;

(B) Is completely independent of coordinated care organizations and public bodies as defined in ORS 174.109; and

(C) Is supported by a federally recognized Indian tribe in Oregon or one of the following community-based nonprofit entities:

(i) A culturally specific organization;

(ii) A social service provider;

(iii) An organization that provides health care;

(iv) An organization that conducts public health research;

(v) An organization that provides behavioral health treatment;

(vi) A private foundation; or

(vii) A faith-based organization; and

(D) Has a decision-making body that:

(i) Is composed 51 percent or more of individuals who identify themselves as members of communities of color;

(ii) Is composed 51 percent or more of members of a grassroots community of color who have experienced health inequities; and

(iii) Prioritizes the recruitment of members who identify themselves as members of communities of color or who work in roles that address health inequities.

(f) “Regional Health Equity Coalition model” means an approach that:

(A) Recognizes the impact of structural, institutional and interpersonal racism on the health and well-being of communities of color and other target communities;

(B) Meaningfully engages target communities to lead efforts to address health inequities; and

(C) Honors the wisdom of members of a target community by ensuring that policy solutions and system changes build upon the strengths of the target community.

(g) “Target communities” means:

(A) Communities of color;

(B) Oregon’s nine federally recognized Indian tribes;

(C) Immigrants and refugees;

(D) Migrant and seasonal farmworkers;

(E) Low-income individuals and families;

(F) Persons with disabilities; and

(G) Individuals who identify as lesbian, gay, bisexual or transgender or who question their sexual identity.

(2) The Oregon Health Authority shall provide grants to Regional Health Equity Coalitions and to groups using a Regional Health Equity Coalition model, to ensure service to target communities throughout this state.

(3) The authority shall ensure adequate staffing to perform daily operations to support grantees through ongoing technical assistance, contract administration and program planning.

SECTION 2. In addition to and not in lieu of any other appropriation, there is appropriated to the Oregon Health Authority, for the biennium ending June 30, 2021, out of the General Fund, the amount of $244,000, which may be expended for providing grants to two organizations seeking to build the capacity to become Regional Health Equity Coalitions, as
defined in section 1 of this 2020 Act.

SECTION 3. This 2020 Act being necessary for the immediate preservation of the public peace, health and safety, an emergency is declared to exist, and this 2020 Act takes effect on its passage.
