

SENATE AMENDMENTS TO SENATE BILL 1511

By COMMITTEE ON ENVIRONMENT AND NATURAL RESOURCES

February 17

1 On page 3 of the printed bill, line 11, delete “and”.

2 In line 13, delete the period and insert “; and

3 “(c) The project complies with local floodplain regulations if the project is located within an
4 area subject to floodplain management.”.

5 In line 39, delete “(8)” and insert “(9)”.

6 On page 4, after line 2, insert:

7 “(8)(a) Before authorizing a proposed voluntary project, the State Department of Fish and
8 Wildlife shall coordinate with the Department of Transportation to consider any potential impacts
9 of the project on transportation infrastructure or planned transportation infrastructure, including
10 but not limited to potential impacts on roads, culverts and bridges.

11 “(b) The State Department of Fish and Wildlife, in coordination with the Department of Trans-
12 portation, may at any time require the person engaging in the authorized voluntary restoration
13 project to modify environmental restoration weirs if the environmental restoration weirs are found
14 to adversely impact transportation infrastructure or planned transportation infrastructure.”.

15 In line 3, delete “(8)” and insert “(9)”.

16 In line 13, delete “(9)” and insert “(10)”.

17 In line 16, delete “(10)” and insert “(11)”.

18 On page 11, delete lines 4 through 12 and insert:

19 “(2) No later than September 15, 2031, the State Department of Fish and Wildlife shall submit
20 a report, in the manner provided by ORS 192.245, to the interim committees of the Legislative As-
21 sembly related to environment and natural resources on voluntary projects authorized under the
22 program established by the department pursuant to section 3 of this 2020 Act. The report shall in-
23 clude:

24 “(a) Assessments of the conditions of qualifying streams affected by authorized voluntary
25 projects, which assess stream conditions prior to construction of environmental restoration weirs
26 as well as after construction of environmental restoration weirs; and

27 “(b) Recommendations, which may include recommendations for legislation, regarding potential
28 amendment of section 3 (2) of this 2020 Act to allow the department to authorize voluntary projects
29 in which construction of environmental restoration weirs will commence on or after January 2,
30 2035.”.
