SECTION 8, ORS 314.415 is amended to read:
314.415. (1) If the Department of Revenue determines pursuant to ORS 305.270 that the amount
of the tax due is less than the amount theretofore paid, the excess shall be refunded by the depart-
ment with interest at the rate established under ORS 305.220 for a period beginning 45 days after
the due date of the return or [on] the date the tax was paid, or, in the case of a return filed under
ORS 118.100, the date that the return is filed, whichever is later, and ending at the time the refund
is made.
(2)(a) The department may not allow or make a refund after three years from the time the return
was filed, or two years from the time the tax (or a portion of the tax) was paid, whichever period
expires later, unless before the expiration of this period a claim for refund is filed by the taxpayer
in compliance with ORS 305.270. In any case, if the original return is not filed within three years
of the due date, excluding extensions, of the return, the department may allow or make a refund only
of amounts paid within two years from the date of the filing of the claim for refund. If a refund is
disallowed for the tax year during which excess tax was paid for any reason set forth in this sub-
section, the department may not allow the excess as a credit against any tax occurring on a return
filed for a subsequent year.
(b) The department may not make a refund if the tax owed, after offsets, is less than $1.
(c) If a taxpayer would qualify under section 6511(h) of the Internal Revenue Code for a sus-
pension of the running of the periods specified for filing a claim for refund of federal income tax,
the period specified in paragraph (a) of this subsection shall also be suspended.
(d) The department may not pay an employee interest on a refund of a tax withheld by an em-
ployer if the interest would be for any period prior to the time the employee files a personal income
tax return for the tax year involved or for any period prior to the day that is 45 days after the date
when the employee's annual return for that year was filed or was due, whichever is later.
(e) The department may not pay interest on a refund of estimated tax paid under ORS 314.505
to 314.525 or 316.557 to 316.589 if the interest would be for any period prior to the time the taxpayer
files a tax return for the tax year involved or for any period prior to the day that is 45 days after
the date when the tax return for that year was filed or was due, whichever is later.
(f) The amount of the refund, exclusive of interest on the refund, may not exceed the portion
of the tax paid during the period preceding the filing of the claim or, if no claim is filed, then during
the period preceding the allowance of the refund during which a claim might have been filed. Where
there has been an overpayment of any tax imposed, the amount of the overpayment and interest on
the overpayment shall be credited against any tax, penalty or interest then due from the taxpayer,
and only the balance shall be refunded.
(g) Except as provided in ORS 305.265 (12), if, pursuant to a notice of deficiency or assessment,
the taxpayer pays the amount specified in the notice, or any part thereof, and if, upon appeal, the
Oregon Tax Court or the Oregon Supreme Court orders that all or any part of the deficiency amount
specified in the notice and paid by the taxpayer be refunded, the amount so ordered to be refunded
shall bear interest at the rate established for refunds in ORS 305.220. Interest shall be computed
from the date of payment to the department. Nothing in this subsection shall require that interest
be paid upon any amount for any period for which interest upon the same amount for the same pe-
riod is required to be paid under ORS 305.419.
(3)(a) Notwithstanding any provision to the contrary in ORS 305.265 or 305.270 or subsection (1)
or (2) of this section, if, prior to the expiration of the period prescribed in subsection (2) of this
section, the department and the taxpayer consent in writing to the refund of tax after the expiration
of the period prescribed:
(A) The department shall make the refund prior to the expiration of the period agreed upon; and

(B) The department may not make or allow a refund after the expiration of the period agreed upon unless a claim for refund is filed by the taxpayer before the expiration of the period agreed upon in compliance with the manner prescribed by the department. The period so agreed upon may be extended by subsequent agreements in writing made before the expiration of the period previously agreed upon.

(b) The department may consent to extend the period during which a refund may be made only if the taxpayer has consented to the assessment of additional tax, if additional taxes are determined upon audit, after the expiration of the applicable period prescribed in ORS 314.410 (1) to (3).

(4)(a) If the claim for credit or refund relates to an overpayment on account of the deductibility by the taxpayer, or by a partnership, of the worthlessness of a share of stock in a corporation, of the right to subscribe for or to receive a share of stock in a corporation, or of a debt, in lieu of the three-year period of limitation prescribed in subsection (2) of this section, the period shall be seven years from the date prescribed by law for the filing of the return for the year with respect to which the claim is made.

(b) If the claim described in paragraph (a) of this subsection is made after the expiration of the three-year period prescribed in subsection (2) of this section, the department may not allow interest with respect to any credit or refund determined to be due upon the claim for the period beginning at the close of the three-year period prescribed in subsection (2) of this section and ending at the expiration of six months after the date on which the claim is filed.

(5)(a) If the claim for credit or refund relates to an overpayment attributable to a net operating loss carryback or a net capital loss carryback, in lieu of the three-year period of limitation prescribed in subsection (2) of this section, the period shall be the period that ends three years after the time prescribed by law for filing the return (including extensions) for the taxable year of the net operating loss or net capital loss that results in such carryback. In the case of such a claim, the amount of the credit or refund may exceed the portion of the tax paid within the period provided in subsection (1), (2) or (3) of this section, whichever is applicable, to the extent of the amount of the overpayment attributable to the carryback. If the allowance of a credit or refund of an overpayment of tax attributable to a net operating loss carryback or a net capital loss carryback is otherwise prevented by the operation of any law or rule of law other than ORS 305.150, relating to closing agreements, the credit or refund may be allowed or made if the claim for credit or refund is filed within the period provided in this subsection. To the extent that the carryback was not an issue in any proceeding in which the determination of a court, including the Oregon Tax Court, has become final, the claimed credit or refund applicable to that carryback may be allowed or made under this subsection.

(b) For purposes of subsection (1) or (2) of this section, if any overpayment of tax results from a carryback of a net operating loss or net capital loss, the overpayment shall be deemed not to have been made prior to the later of:

(A) The due date of the return for the taxable year in which such net operating loss or net capital loss arises;

(B) The date the return for the year in which the net operating loss or net capital loss arises is filed; or

(C) The date of filing of the return for the year to which the net operating loss or net capital loss is carried back.

(6) Notwithstanding any provision to the contrary in ORS 305.265 or 305.270 or this section, if
the taxpayer has agreed with the United States Commissioner of Internal Revenue for an extension, or a renewal of an extension, of the period for proposing and assessing deficiencies in federal income tax for any year, the period within which a claim for credit or refund may be filed or credit or refund allowed or made if no claim is filed shall be the period provided within subsections (1) to (5) of this section or six months after the date of the expiration of the agreed period for assessing deficiency in federal income tax, whichever period expires later.

(7) If a joint return is filed, the department may make separate refunds at the request of either spouse. The separate refunds shall bear the same proportion to the total refund as the adjusted gross income of each spouse bears to the adjusted gross income of both spouses, or as otherwise determined by the department.

(8) If a taxpayer entitled to a refund under subsection (1) of this section dies, the department may issue a draft for payment of such refund under the terms and conditions set out in ORS 293.490 to 293.500 exercising the same powers and subject to the same restrictions pursuant to which the State Treasurer is authorized to pay the amounts of warrants, checks or orders under those statutes.

SECTION 9. ORS 315.514 is amended to read:

315.514. (1) A credit against the taxes that are otherwise due under ORS chapter 316 or, if the taxpayer is a corporation, under ORS chapter 317 or 318, is allowed to a taxpayer for certified film production development contributions made by the taxpayer during the tax year to the Oregon Production Investment Fund established under ORS 284.367.

(2)(a) The Department of Revenue shall, in cooperation with the Oregon Film and Video Office, conduct an auction of tax credits under this section. The auction may be conducted no later than April 15 following December 31 of any tax year for which the credit is allowed. The department may conduct the auction in the manner that it determines is best suited to maximize the return to the state on the sale of tax credit certifications and shall announce a reserve bid prior to conducting the auction. The reserve amount shall be at least 90 percent of the total amount of the tax credit. Moneys necessary to reimburse the department for the actual costs incurred by the department in administering an auction, not to exceed 0.25 percent of auction proceeds, are continuously appropriated to the department. The department shall deposit net receipts from the auction required under this section in the Oregon Production Investment Fund.

(b) The Oregon Film and Video Office shall adopt rules in order to achieve the following goals:

(A) Subject to paragraph (a) of this subsection, generate contributions for which tax credits of $14 million are certified for each fiscal year;

(B) Maximize income and excise tax revenues that are retained by the State of Oregon for state operations; and

(C) Provide the necessary financial incentives for taxpayers to make contributions, taking into consideration the impact of granting a credit upon a taxpayer’s federal income tax liability.

(3) Contributions made under this section shall be deposited in the Oregon Production Investment Fund.

(4)(a) Upon receipt of a contribution, the Oregon Film and Video Office shall, except as provided in ORS 315.516, issue to the taxpayer written certification of the amount certified for tax credit under this section to the extent the amount certified for tax credit, when added to all amounts previously certified for tax credit under this section, does not exceed $14 million for the fiscal year in which certification is made.

(b) The Oregon Film and Video Office may issue a certification for a credit under this section, and a credit may be allowed, for tax years ending in the fiscal year immediately
preceding the fiscal year in which a contribution is made.

(b) The Oregon Film and Video Office and the department are not liable, and a refund of a contributed amount need not be made, if a taxpayer who has received tax credit certification is unable to use all or a portion of the tax credit to offset the tax liability of the taxpayer.

(5) To the extent the Oregon Film and Video Office does not certify contributed amounts as eligible for a tax credit under this section, the taxpayer may request a refund of the amount the taxpayer contributed, and the office shall refund that amount.

(6)(a) Except as provided in paragraph (b) of this subsection, a tax credit claimed under this section may not exceed the tax liability of the taxpayer and may not be carried over to another tax year.

(b) Any tax credit otherwise allowable under this section that is not used by the taxpayer in a particular tax year may be carried forward and offset against the taxpayer’s tax liability for the next succeeding tax year. Any credit remaining unused in the next succeeding tax year may be carried forward and used in the second succeeding tax year, and likewise, any credit not used in that second succeeding tax year may be carried forward and used in the third succeeding tax year but may not be carried forward for any tax year thereafter.

(c) A taxpayer is not eligible for a tax credit under this section if the first tax year for which the credit would otherwise be allowed begins on or after January 1, 2024.

(7) If a tax credit is claimed under this section by a nonresident or part-year resident taxpayer, the amount shall be allowed without proration under ORS 316.117.

(8) If the amount of contribution for which a tax credit certification is made is allowed as a deduction for federal tax purposes, the amount of the contribution shall be added to federal taxable income for Oregon tax purposes.
