A BILL FOR AN ACT

Relating to the Oregon Liquor Control Commission; and prescribing an effective date.

Be It Enacted by the People of the State of Oregon:

DATA, ANALYSIS AND INFORMATION SYSTEMS

SECTION 1. (1) The Oregon Liquor Control Commission may create reports and analysis of commission data regarding commercial sales and commercial industries. The commission may market, sell, license the use of or offer other forms of value-added access to data and analysis described in this subsection to private entities.

(2) The commission may enter into contracts with private entities for the entities to capture and compile commission data to create reports and analysis regarding commercial sales and commercial industries.

(3) Commission data that a private entity captures or compiles under an agreement described in subsection (2) of this section is proprietary information of the commission.

(4) The commission may enter into contracts with private entities for the entities to accept payments from sales or licenses for use of data and analysis described in subsection (1) of this section or any systems, processes or business models developed from that data or analysis. Payments that the commission or a private entity accepts from sales or licenses under this section:

(a) Related to alcohol data and analysis shall be remitted for crediting as provided under ORS 471.805.

NOTE: Matter in **boldfaced** type in an amended section is new; matter *[italic and bracketed]* is existing law to be omitted. New sections are in **boldfaced** type.

1 (b) Related to cannabis data and analysis shall be remitted for crediting to the Marijuana
2 Control and Regulation Fund.

3 (5) The commission shall ensure that data and analysis that the commission sells or li-
4 censes for use are in a format that preserves anonymity of the source and do not contain
5 personally identifiable information.

6 (6) The commission may adopt rules to:

7 (a) Ensure that personally identifiable information is not included in data or analysis;

8 (b) Control the use of data and analysis; and

9 (c) Establish prices or fees for the purchasing of, or other access to, data and analysis.
